Welcome To The India Garden Tandoori & Balti Restaurant Established Since 1992

Nearly every restaurant and takeaway, whether they serve eastern, oriental or European dishes will claim that their food is the finest in the area! We do not feel that we are qualified to make such claims, however, the fact that our customers come back again and again since 1992 is evidence our food has quality.

We ask you, as we ask all our costumers that if you are pleased with our Quality of Food and Services, please do not forget to tell your friends.

If you are not Satisfied with any reason please inform our management. We love customer feedback and are always looking to improve. Food is to be enjoyed and we feel that it has to be the very best available.

The Preparation and the cooking of good food is our job, doing it well is our pleasure in order that we maintain our very high standards. Our restaurant always maintains a truly exceptional standard of Bangali, Indian, Pakistani cooking accompanied with a friendly and courteous service.

It is needless to say that all our meals are freshly made, and every curry eater knows that it takes time to cook a good curry. The management believe in serving a good meal even though it takes more time than to serve a hasty one - which does not desire praise.

Each dish that we prepare has its own distinctive flavour, aroma and authenticity. Being the oldest and most genuine Indian Cuisine in Market Drayton Since 1992, when it comes to Quality Food and Service, our aim is your Satisfaction; your eating pleasure is our Business!

We thank you for visiting the India Garden and we hope you enjoyed your evening.
